[SHRI SHYAM INTERNATIONAL]

WELCOME TO SHRI SHYAM INTERNATIONAL

Shri Shyam International is a trusted Indian export company offering a diverse range of eco-friendly personal care products and traditional food items to global markets. Our product line includes bamboo toothbrushes, neem combs, handmade skincare and haircare products, jaggery and jaggery powder, whole and ground spices, frozen Indian sweets, dehydrated vegetables (onion, garlic, ginger), pickles, chutneys, edible oils, and ready-to-eat Indian meals. We source directly from farmers, artisans, and small-scale producers to ensure quality, authenticity, and ethical practices. With a strong focus on sustainability, hygiene, and timely delivery, we meet international standards while preserving the rich essence of Indian tradition. At Shri Shyam International, we believe in building long-term relationships through transparency, reliability, and customer satisfaction, making us a dependable partner for businesses looking to import high-quality Indian products.

VISION:

We aim to become a trusted global leader in exporting eco-friendly personal care and authentic Indian food products. We aim to promote sustainable living, support local communities, and deliver high-quality, ethically sourced goods that reflect India's heritage while meeting the evolving needs of conscious consumers worldwide.

MISSION:

"Shri Shyam International is dedicated to pioneering a new era in global commerce. Our mission is to deliver high-quality, sustainably sourced products that reflect India's rich heritage and promote healthy, eco-friendly lifestyles. We are committed to ethical practices, transparent partnerships, and consistent quality. By connecting global markets with authentic Indian goods, we strive to provide value, foster long-term relationships, and contribute to a more sustainable future.

CORE VALUES:

Ethical Trade:

We uphold the highest standards of integrity and fairness in all our trade practices, ensuring that our products positively impact both producers and consumers.

Environmental Stewardship:

We are committed to minimizing our ecological footprint by promoting sustainable sourcing, reducing waste, and advocating for environmentally friendly practices throughout our supply chain.

Cultural Respect:

We respect and honor the diverse cultural origins of our products, striving to bridge cultural gaps and promote mutual understanding through our exports.

Innovation for Impact:

We embrace innovation as a means to drive positive change, constantly seeking innovative solutions that enhance the quality, sustainability, and social impact of our products.

Customer-Centric Focus:

Our customers' satisfaction is paramount. We are dedicated to delivering products that not only meet but exceed their expectations, backed by exceptional customer service.

Community Empowerment:

We actively engage with and support the communities involved in the production of our goods, aiming to empower local artisans and contribute to their socio-economic development.

DESCRIPTIONS OF PRODUCTS

JAGGERY PRODUCTS:

Shri Shyam International specializes in the export of premium-quality jaggery and jaggery powder, crafted from pure sugarcane using traditional methods. Our commitment to quality ensures every batch retains its natural sweetness, rich flavor, and nutritional value, free from chemicals and additives. We deliver authentic, unrefined goodness from our farms to your markets.

DEHYDRATED ONION, GARLIC AND GINGER POWDER:

Shri Shyam International specializes in the export of high-quality dehydrated onion, ginger, and garlic powders, offering long shelf life and concentrated flavor. Sourced from select farms and processed under strict hygiene standards, our products are ideal for seasoning, food processing, and instant mixes - delivering authentic taste from our fields to your kitchens worldwide.

SPICES:

Shri Shyam International specializes in the export of premium whole and ground spices, sourced from trusted farms across India. Carefully cleaned, processed, and packed, our spices deliver rich aroma, bold flavor, and natural purity. We ensure every spice meets global quality standards, bringing authentic Indian taste from our soil to your shelves.

PICKLES AND CHUTNEYS:

Shri Shyam International offers a delicious selection of traditional Indian pickles and chutneys, made with carefully sourced ingredients and regional spice blends. Each jar captures the vibrant taste of India, prepared under strict hygiene standards to ensure long-lasting freshness and quality. A perfect addition to meals, bringing bold, authentic flavor to global tables.

EDIBLE OILS:

Shri Shyam International offers a range of premium edible cooking oils, including cold-pressed and refined varieties, sourced from high-quality seeds and processed with care. Our oils are rich in natural nutrients, free from harmful additives, and suitable for diverse culinary uses. We deliver purity, flavor, and health from our production units to your shelves.

FROZEN INDIAN SWEETS:

Shri Shyam International specializes in the export of premium frozen Indian sweets, preserving the authentic taste and richness of traditional recipes. Made with high-quality ingredients and flash-frozen to retain freshness, our sweets offer convenience without compromising on flavor. We deliver timeless Indian indulgence from our kitchens to your markets—fresh, safe, and ready to enjoy.

NEEM COMBS:

Premium neem wood combs, handcrafted from 100% natural neem, known for its antibacterial and antifungal properties. Gentle on the scalp and effective in reducing dandruff and hair fall, our combs support healthy hair naturally. We deliver eco-friendly, chemical-free grooming solutions from traditional wisdom to modern lifestyles worldwide.

Shri Shyam International's Bamboo Toothbrush :

Series - Eco-Innovation for Every Smile

Discover the epitome of sustainable dental care with Shri Shyam International's NatureBlend Bamboo Toothbrush Series. Imbued with bamboo fiber and charcoal-infused bristles, these toothbrushes cater to both adults and kids, offering a fusion of ecological mindfulness and cutting-edge design.

HANDMADE SKINCARE:

Premium handmade skincare products, thoughtfully crafted using natural ingredients, essential oils, and herbal extracts. Free from harmful chemicals and synthetic additives, our skincare line nourishes, protects, and revitalizes the skin. We bring the purity of traditional skincare practices to modern routines
